## **FIVE STAR BANK HIRES BUSINESS DEVELOPMENT OFFICER IN CHICO**

**SACRAMENTO, CA** – Five Star Bank is pleased to announce that Marcy Sutcliffe has been hired as a Vice President, Business Development Officer. Sutcliffe will be based out of Chico. With her addition, Five Star Bank will have, for the first time, a dedicated bank officer located in that market.

“I’m looking to bring a fresh opportunity to business clients in Chico and the surrounding area,” said Sutcliffe. “Providing a true community bank option to customers in this region will, we hope, spur economic growth.”

Sutcliffe has lived in Paradise since 1974 and has worked in banking for nearly 30 years. Her experience includes work in Chico, Oroville, & Paradise, where she has worked as a commercial lender, branch manager, and business banking officer.

“Marcy comes to us with a great history of serving the Chico community and beyond,” said James Beckwith, President and CEO. “Her experience as well as her vast knowledge of the Chico market will allow Five Star Bank to help that market grow.”

Sutcliffe can be contacted at [msutcliffe@fivestarbank.com](mailto:msutcliffe@fivestarbank.com) or via telephone at 530-864-5543.

Five Star Bank was started in 1999 by a group of Sacramento area business professionals to provide local banking services with an emphasis on commercial real estate and small business. With business offices in Rocklin, Sacramento, Rancho Cordova, Elk Grove, and Redding, Five Star Bank offers the opportunity to work with banking professionals who provide fast lending decisions and are intimately familiar with the project at hand, local economy, and their client’s needs.
